Monk Mantra

Graphic Designer *Jun'23*

Started off as a novice intern..Not knowing about any software or..any third party tools or the basics of design.. Ended the internship as a fast learner with dominating designs,& knack for marketing ideas. Was easy to communicate with different language. Became the one with new ideas for UI/UX , Posts, & topic..& kept growing ever since..

Well I'm

The background features a grey silhouette of the Gotham City skyline. A bright yellow spotlight shines from the top right, illuminating a bat flying through it. Numerous black bat silhouettes are scattered across the top and right sides of the image. A red diagonal line runs from the top right towards the bottom left.

I Mean Are You Still There?

Of course you are

Awesome. If you are reading this that means we should probably talk.

I promise, I'm even funnier in person.
